

Carl Zeiss IMT Corporation "Get a Grand" Lead Referral Program

Put money in your pocket with our new "Get a Grand" Referral Program!

Know a business colleague or friend who is looking to improve their measuring process? Now is the time to act!

Carl Zeiss has created a program that rewards individuals for providing us with referrals that lead to sales of new ZEISS coordinate measuring machines*.

Program rules, regulations and limitations are available for viewing in PDF from the online form.

Submit leads using the electronic form at:

* The Carl Zeiss IMT Corporation "Get a Grand" Lead Referral Program is designed to reward individuals for submitting a sales lead that turns into a sale of a new Carl Zeiss coordinate measuring machine (CMM). This program is available for leads for new CMM sales in the United States and Canada only and is valid until December 31, 2009.
Please read the "Get a Grand" Program rules, regulations, and limitations PDF before completing the online form at www.zeiss.com/grand.
